

4949 N Broadway #109 Boulder, Colorado 80304 (888) 298-9766

Welcome to our class order program. We started this program because of the popularity of our 100% polyester chlorine resistant suits. Many people in the same class were wearing these suits, and this allows participants to save money by using their combined buying power.

The discounted price is shown. This offer is good on all of our swimsuits, but our most popular are the 100% polyester suits pictured on these pages. **Mix or Match** 4 or more suits, have them shipped to one address, and eSwimmers.com will give you a 25% discount on each suit. There are no shipping or other charges. See the sign up sheet for directions on how to order on the web!
